OPTIONS:

Roof Mount Kit:
When wall space requirements are limited. Includes brackets and installation hardware.

WeatherGuard™:
Protects fabric when awning is retracted. Suggested (not required) for roof mount or motorized awnings.

Sunbrella® Fabric:
Special order for only \$249.00. Awning ships with no extra lead time. See pages 19-24 for Sunbrella® fabric choices.

Actual fabric width is 6" less than overall width.

Motorized awnings include remote control and outdoor plug-in system with 18' cord – outdoor receptacle required.
